

## Teaching Feedback Form

**Instructions: Read through before and provide, during the seminar, a grade 1-5 on the first TEN questions and free text feedback on the last TWO questions. For example, if you have specific input on any of the first ten questions or feedback in addition that you think the presenters would benefit from.**

### The presenters...

showed clear objectives for the lesson:

created an interest in the topic

explained the topic in a clear way

activated the audience

checked if the audience had understood

concluded appropriately

used visual aids well

used his/her voice well (volume/pace/enunciation)

used his/her body well (movement/gesture/posture)

showed enthusiasm
